CERTIFICATE OF SERVICE-s

Dear Sir/Madam,

We at ECIL are glad to state that Mahdi Bagh Computers Private Limited, India is one of our selected partners for providing satellite communication ground service-s. They are working with us mainly addressing our satellite communication networks for mainly military, security and surveillance; as well as others for Tsunami warning, etc. since 2005 to date and have work assigned for years to come to. Some of the areas of expertise is as listed below,

- Installation & Onsite Maintenance of Satcom infrastructure. Antennas from 2.4 mtrs up to 11 mtrs have been successfully rolled out.
- Expertise in satcom service delivery in challenging geographic terrain-s
- Operations & Maintenance Support thru the manpower deployed at our customer facility on a 24x7 basis.
- Training on Operations and Trouble shooting.

Most of our programs are classified and may not be able to provide further details. We would only like to acknowledge and highly appreciate the Sincerity, Confidentiality & Promptness with which Quality services are rendered by team MBC (Mahdi Bagh Computers Private Limited) through out India under the management of Mr. Riaz Lamak (President & Director). They are doing a Great job and shall be an asset for all the organizations they render service to.

Yours Sincerely

K Sridhar Rao
